- **Features:**
  - Extremely quiet, self-locking double worm gear
  - Maintenance-free and long-lasting
  - Universal mounting: rear (standard) or optionally left-side (symmetrical)
  - Wiring via 7-core cable

The **Lock EWA 12.1505** is a compact and efficient gear motor for horizontal shading systems. It combines quiet operation with high reliability and flexible mounting options. The integrated limit switch ensures precise control, making it ideal for small to medium greenhouse installations.
