- **Material:** High-quality plastic for gentle clamping
- **Function:** Firm grip without damaging the hose
- **Installation:** Easy mounting with pliers
- **Advantages:** Durable, flexible, and user-friendly

Hose Clamp R16 is designed for **safe and gentle securing of irrigation hoses**. Its robust plastic construction ensures a firm hold while protecting the hose material from damage.

Installation is quick and efficient using pliers, making it ideal for professional use in **nurseries, horticulture, and agricultural operations**.

With a bulk packaging of **1000 pieces**, this clamp is well-suited for large-scale applications requiring reliable and repeatable hose fastening.
