Description

- **Application:** Manual operation of hand drives in shading and ventilation systems
- **Material:** Durable metal construction for long-term use
- **Length:** 120 cm
- **Features:** Ergonomic handle for comfortable operation

The **Hand Crank for Manual Drive 120 cm** offers a reliable and user-friendly solution for manually operating greenhouse shading and ventilation systems. Its extended length makes it ideal for elevated installations.

Built with robust metal and designed for ergonomic handling, it ensures long-lasting performance and ease of use.
