Description

- **Application:** Guides wire ropes in greenhouse installations
- **Material:** Dual plastic pulleys - metal housing for added strength
- **Mounting:** Fixed and swiveling eyelet for flexible attachment
- **Highlight:** Twin pulleys for parallel wire guidance
- **Packaging Unit:** 25 pieces

The **Block Pulley 50, Double** is a dependable choice for guiding wire ropes in greenhouse operations. It features both fixed and swiveling mounting options, allowing for flexible attachment.

The dual plastic pulleys are set in a robust metal housing that offers excellent stability and longevity. The specialized design allows two wire ropes to run in parallel for smooth, uniform motion.

Perfect for a variety of greenhouse applications, this pulley excels in both function and durability.
