Description

- **Application:** Gear reduction drive for push-pull shading systems
- **Material:** Galvanized steel with specially hardened pinions
- **Mounting:** Standard with mounting straps for trusses on the right side (left or both sides available on request)
- **Benefit:** Enables very close mounting to the greenhouse truss
- **Packaging unit:** 12 pieces
- **Ridder Article No.:** 500280

The **Pinion Housing RSD 250-40/RR** is a robust drive unit for push-pull shading systems. Its compact design allows for tight installation near the truss, and the hardened pinions ensure long-lasting performance. Available with custom mounting configurations upon request.
