Description

- **Application area:** Component of the 19 mm aluminum clamping set
- **Material:** Aluminum
- **Special feature:** Ensures stable fixation of the wire rope

The **Alu-clamp 30 mm, lower part** is an essential component of the 19 mm aluminum clamping set. It provides secure fastening of the wire rope and ensures a stable connection.

Thanks to its high-quality aluminum construction, the clamping part is especially durable and resistant to environmental influences.
