

Overview

Drill unit

Product number: 52122121

Description

- **Application:** Twisting and securing wire ends, especially for closing sacks or mesh containers
- **Function:** Mechanically twists two wire ends together
- **Use case:** Ideal for nursery, greenhouse, and packaging applications
- **Packaging unit:** 1 piece

The **Drill unit** is a manual tool used to twist two wire ends together, providing a secure closure for sacks, mesh bags, or other containers. A practical solution for bundling and fastening in horticulture and logistics.
