Description

- **Application:** Sealing open tube ends in greenhouse constructions
- **Material:** High-quality plastic for long-lasting use
- **Function:** Protects against dirt, moisture, and mechanical impact
- **Color:** Black
- **Packaging Unit:** 100 pcs

Plug for 19 mm tube is a practical solution for securely closing open pipe ends in greenhouse structures. It shields the interior from environmental influences and extends the lifespan of the system.

The flexible lamella design ensures a tight fit, while the premium plastic material offers durability and ease of installation—even in humid or high-contact environments.
