

Overview

Aluminum poly lock profile - L = 6000 mm

Product number: 89200100

Description

- **Application area:** Fastening greenhouse films to the supporting structure
- **Material:** Aluminum – lightweight, strong, and corrosion-resistant
- **Length:** 6,000 mm
- **Installation:** Screw-mounted via integrated mounting tab
- **Function:** Secures the film using two-part PVC locking strips
- **Special features:**
 - Two-part design simplifies installation and removal
 - Protects both film and profile during handling
 - Ideal for permanent and secure film fastening

The **aluminum film locking profile** with a length of 6,000 mm is a practical solution for securely fastening greenhouse films. It is screwed directly onto the greenhouse structure using the integrated mounting tab. The
