

Overview

Ridder pinion house unit RSD 250-40/RR - PU = 12 pcs

Product number: 32200026

Description

The pinion house unit RSD 250-40 RR serves as a drive, which is placed underneath for push-pull shading systems. By standard it is equipped with mounting straps for truss on the right side. This position enables a very close mounting to the rack. On demand we are able to deliver the pinion house unit with straps on the left side or on both
