Description

Our Cable Dispenser is a reliable tool for quick and easy handling of wires and ropes. It facilitates torsion-free unwinding on cable reels. Wires or ropes do not tangle. It saves your time upon unrolling and protect your material.

Cable dispenser 510 is suitable for reels up to 510 mm wide.

Plastic rollers on the side are serving as spacers to prevent the cable reel from being bent with the side parts of the dispenser.

Suits spools with diameter up to 500 mm and weight up to 150 kg.

Dimensions-----:

Mechanically attached rubber feet give the cable Dispenser a firm hold upon unwinding.

Galvanized drums and powder coated side frames protect from corrosion.

Special construction ensures maintenance free operation.

Approx. 380 x 570 x 90 mm (L x B x H)

Made in Germany
