## Description

- **Application:** Fabric fixation on 19 mm tubes in greenhouse shading systems
- **Material:** Stainless steel for high durability and corrosion resistance
- **Feature:** Provides a particularly firm and stable hold
- **Packing unit:** 500 pieces

The **Tube Clip, Stainless steel** offers the same robust performance as the 100-piece version, but in a larger packing unit for high-volume installations. It ensures secure fabric attachment to 19 mm tubes and is ideal for commercial greenhouse applications requiring consistent and strong fixation.
