

Overview

lead edge tube clip 19 L - PU = 3000 pcs

Product number: 22000200

Options

PU (Pcs)

Version

Description

- **Application:** Connecting support wires to 19 mm aluminum tubes in greenhouse shading systems
- **Material:** High-quality plastic for long-term durability
- **Feature:** Raised geometry for improved sealing in specific greenhouse types

- **Packaging Unit:** 3000 pcs

Lead edge tube clip L 19 is designed for **securely linking support wires with 19 mm aluminum tubes** in shading installations. Its robust plastic construction ensures reliable fastening and long-lasting performance under greenhouse conditions.

The **elevated design** creates additional spacing between wire and tube, which can enhance **sealing efficiency** —especially beneficial in **closed energy curtain systems** where insulation and airflow control are critical.
