Description

- **Application:** Safety housing for racks in greenhouse ventilation systems
- **Material:** Housing: plastic - Tube: aluminum
- **Design:** Two-part shell with dual-sided receptacle for rack protection tubes
- **Mounting:** Secured with galvanized M4×16 steel screws (included)
- **Packaging unit:** 25 pieces
- **Benefit:** Prevents injury and contamination from lubricants - compatible with insect netting

The **Pinion Housing Protection - 2-Part Shells** is used in combination with rack protection tubes to shield racks at sensitive points in greenhouses. It prevents contact with moving parts and supports insect-free greenhouse designs. The housing is made of durable plastic and includes mounting screws.
