Description

- **Application:** Gentle guidance of shade fabric overhangs in laid-out shading systems
- **Installation:** Inserted into the screen profile's screw channel and secured with the included screw
- **Function:** Enables secure and fabric-friendly attachment of clip profiles at the profile end
- **Material:** Plastic - lightweight, durable, and gentle on fabric
- **Packaging Unit:** 500 pieces
- **Features:**
 - Tool-free installation - ideal for retrofitting
 - Prevents fabric abrasion and damage
 - Compatible with all standard screen profiles featuring a screw channel

The **Retainer clip tube for Screenprofile** (bulk pack of 500) is a practical accessory for laid-out shading systems. It slides into the screen profile's screw channel and is fixed in place with the supplied screw—allowing clip profiles to be securely and gently attached at the profile ends. Perfect for professional greenhouse systems that require long-term, low-maintenance performance.
