## Description

- **Application:** Coated screen fabric for 100% blackout shading systems
- **Material:** Tear-resistant and waterproof textile
- **Color:** Grey/Grey
- **Width:** 325 cm
- **UV Stability:** Designed for long-term use
- **Features:** Dual-sided coating for indoor and outdoor installation

**NOCTURNA Blackout Fabric - Grey/Grey** is a heavy-duty screen material engineered for total blackout performance. It is waterproof and offers exceptional tensile strength—making it perfect for partitioning areas or integrating into blackout roller screen systems.

With dual-layer coating on both sides, it withstands weather exposure outdoors just as reliably as it provides light-blocking separation indoors. Rugged, durable, and purpose-built for lasting performance.
