Description

- **Product:** Hose anchor
- **Length:** 25 cm
- **Packaging unit:** 200 pieces
- **Application area:** Securing drip hoses and garden hoses
- **Material:** Highly UV-stabilized plastic
- **Function:** Secure hold in the ground, even in loose substrates
- **Advantages:** Sturdy, durable, easy to use, Made in Germany

The **Hose anchor with a length of 25 cm** provides a reliable solution for fastening drip hoses and garden hoses to the ground. The robust clamp securely holds the hose in place and prevents it from shifting—ideal for irrigation systems in horticulture and agriculture.

Made from highly UV-stabilized plastic, the anchor is especially durable and weather-resistant. Manufactured in Germany—for consistently high quality and sustainability.
