Description

- **Application:** Attaching shading fabric to the clip profile of fabric hang-down systems
- **Material:** High-grade plastic for a lightweight yet stable connection
- **Locking Mechanism:** Self-locking closure for secure fixation
- **Installation:** Simple snap-in mounting without tools
- **Packaging Unit:** 1000 pcs

Screen hook is a proven solution for securing greenhouse fabrics to clip profiles in shading and ventilation systems. Its self-locking mechanism ensures stable attachment without the need for additional fasteners.

Manufactured from durable plastic, the screen hook is resistant to environmental influences and designed for long-term use in demanding greenhouse environments. The quick snap-in installation enables efficient assembly, making it ideal for professional applications.
