Description

- **Application:** Universal wire tensioner for tightening cables and wires in shading systems
- **Material:** Galvanized steel for high corrosion resistance
- **Size:** 115 mm
- **Packing unit:** 100 pieces
- **Special feature:** Versatile use in various applications

The **Wire Tensioner Galvanized (115 mm) Gr.3** is a strong and dependable solution for cable and wire tensioning in shading systems. Its galvanized finish ensures lasting protection against corrosion and harsh weather conditions.

Its universal structure makes it highly adaptable for greenhouse installations and other settings.
