Description

- **Product:** Carnation clips 20 mm
- **Packaging unit:** 1,000 pieces
- **Application area:** Fastening shoots and stems to plant stakes
- **Material:** High-quality plastic
- **Function:** Stabilizes plant growth by providing secure support
- **Advantages:** Easy to use, durable

The **Carnation clips 20 mm** are a practical solution for securely fastening shoots and stems to plant stakes. They ensure stable fixation and support healthy plant growth.

Thanks to their sturdy construction, the Carnation clips provide reliable stabilization without damaging the plants. With a packaging unit of **1,000 pieces**, they are ideal for professional use in nurseries and tree farms.

Their easy handling allows for quick attachment, helping to streamline work processes. An essential tool for gardeners and farmers who value stable plant support.
