## Description

- **Application:** Repair set for replacing damaged shaft hangers
- **Material:** Sturdy construction for long-term use
- **Installation:** Easy mounting without disassembling the drive shaft hanger
- **Feature:** Protects drives and pipes with a special plastic ring

The **TGU Shaft Hanger Repair Set 1** offers flexible handling and storage thanks to bulk packaging, perfect for individual needs or larger repairs.

Its smart construction allows single-person replacement of brittle or damaged shaft hangers—without removing the entire drive assembly. The plastic ring ensures surrounding greenhouse components stay protected from friction and wear.
