## Description

- **Application:** Securing shade fabrics to screen profiles and wires
- **Material:** Stainless steel (Inox)
- **Packaging Unit:** 100 pieces
- **Features:**
  - Quick and easy to install
  - Versatile use beyond shading systems
  - Suitable for thin metal sheets and wire attachments

**Inox Cloth Clips** are practical stainless steel fasteners designed for quick and secure attachment of shading fabrics to screen profiles and wire structures. They are easy to install and provide a firm grip—perfect for greenhouse shading systems.

Built from durable stainless steel, these clips are corrosion-resistant and long-lasting. Their versatility also makes them useful outside of greenhouse setups, such as fastening materials to thin metal sheets or wires. Each pack includes 100 pieces.
